**Appointment Hours:**

Mon	2 – 7 pm	Wed	No office hours	Fri	9-12 pm & 1 – 5 pm
Tues	2 – 6 pm	Thurs	2 – 6 pm	Sat	8-12noon (every other)

Appointments are scheduled for the above hours. We try to stay on schedule as much as possible so please call if you think you will be late or if you are unable to keep your appointment. The office closes for lunch.

**Contacting The Doctor:**

Any URGENT problems arising after office hours will be relayed to Dr. Bryjak by the answering service. During office hours, the office staff will take your name & phone number and Dr. Bryjak will call you back by the end of the day. Of course urgent calls will be given directly to the doctor.

**Tests Results:**

Patients are to call two to three working days after any test is taken to discuss the results with the doctor. Please consult the appointment hours above. Because we assume you to be responsible for your health, we expect you to contact us for your results. WE DO NOT routinely call patients with their results, so do not assume that your tests were normal because you did not hear from us.

**General Insurance Information:**

We ask that you bring your insurance information with you for each visit. If you have an insurance plan that Dr. Bryjak contracts with and that requires pre-approval when having tests or when being referred to another physician, YOU ARE EXPECTED to alert us to this fact EACH TIME we ask you to have to have a test or we ask you to see another doctor. It is your insurance and your responsibility. Do not expect the office personnel to know all of your insurance's peculiarities.

**Payments:**

We will submit a claim for your visit to your PRIMARY insurance. If Medicare is not your primary insurance and you have a secondary insurance, you will be responsible for submitting claims to your secondary insurance. Co-payments, if required, are expected to be paid at the time of your arrival. We accept cash, checks and credit cards (Master and Visa).

**Parking:**

Parking is available in the hospital garage. The entrance is just south of our building. If you park on the 3rd level you can walk across the bridge to enter our building. We are located on the 4th floor.

**We look forward to being here to help you with your medical needs. Please let us know if there is anything we can help you with.**
